Reviews

If you need to adding benefit, a must buy book. This really is for all who statte that there had not been a well worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.

Clarion. 1 Cloth(s), 2010. hard. Book Condition: New. "There once was a boy who sneezed so hard, he forgot his own name," begins this tale of nasal disaster for readers 4 to 8. The boy's brain-drain continues, as he quite literally sneezes out the Pilgrims, the presidents, baseball teams, and a lot of dinosaurs, all while standing in line at the grocery store. Now the dilemma becomes, "How do you put all that knowledge back in?" Deb Lucke combines fast-paced text with mixed media collages that are creative, campy, and downright hilarious. 34.
