A lot has changed since well-known Canadian author Robin Pascoe wrote Culture Shock! A Parents Guide. The world has become globalized, digitalized, and sadly, terrorized. That's the big picture that Pascoe examines in Raising Global Nomads. In her own life, the author's day job raising her two children has ended as her daughter begins a career as an environmental activist and her son heads to university. In her fifth book for expatriate families, the author recounts with honesty and trademark humour what worked for her family and shares the hard lessons learned. Parenting styles in general, and of third culture kids in particular, have changed dramatically, prompting this timely and comprehensive reexamination of the challenges of parenting abroad. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
