Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Art of Love 1 and 2 were such a success I decided to create a new volume The Art of Valentines Day with double the coloring pages. How to Use This Book:The Art of Valentines Day serves two purposes. One is to help you make a daily practice of finding love in every situation. The other is to unwind by expressing your creativity through coloring. In your daily journal take the time to go through your day and reflect on what may have brought you love in your relationships. There are times when you may have situations that seem to be hopeless however if you sit back and look at it with fresh eyes you will eventually find some ray of hope and love. If you look back to your childhood and remember how you wiled the hours away coloring; it was and still is very cathartic. There are 63 journal pages, one for each day for two months. A full page to write whatever and wherever you find love; the opposite page is for you to color the beautiful love Mandalas into reality while relaxing the time away. Enjoy this very special time with The Art of Valentines Day coloring journal!.
