Watkins Media, United Kingdom, 2005. Other book format. Book Condition: New. 152 x 112 mm. Language: English . Brand New Book. A superb series of compact, beautifully presented editions of sacred texts selected from the major writings of the world s spiritual traditions in reliable and accessible translations. At the beginning of the 21st Century, there is a longing for spiritual truths and values, an urge to break free from the orthodoxies of our own cultural heritage and to explore beyond its frontiers in search of fulfilment and enlightenment. This search for truth leads us to the great sacred texts of the world s literature. The four titles this season include the Tao Te Ching, poetry brimming with Taoist wisdom about our need to bend to nature s currents; the inspirational Bhagavad Gita, which addresses the issues of conflict - both internal and external; the deeply mystical texts of the Kabbalah, which has recently become very popular in the West; and the fascinating forgotten scriptures of the Gnostic Gospels. These texts offer us a new compass to steer by in our quest for the truth and poetry of the spirit.
