A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

SNATCHED: A DIANA HUNTER MYSTERY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.What would you do if you discovered a dead body? Would you investigate? Try to solve the case before the police arrive? Would you prattle on about theories regarding the murder, realizing you know almost too much about it? Would you put the handsome detective off balance so that he then accuses you of being the murderer? All before 9AM? No. surely no one would do that? Clearly, you haven't met Diana Hunter. When embarking on an early morning run, Diana notices a man sitting on the ground reading a book. When she returns, she finds he hasn't moved a muscle since she left her house. She checks him over and discovers that he is stone cold. Once the emergency services arrive, all equipped with a very good-looking, but pompous detective, Peter Hopkinson, she has to continually prove to the detective why she is not the killer while trying to solve the murder herself. Will Diana find the murderer before the detective does, or will they both discover that something a lot more sinister is going on at Royal Bay Beach? Interview with the Creator of the series Q - So, what makes the Diana Hunter series special? A - When I set out to write these books, I wanted to create something that mirrored exactly the kind of books I like to read. My top picks are always mystery novels, especially featuring female protagonists with attitude. Diana is badass and I can't tell you how many readers tell me she reminds them of themselves. She makes you feel you can do anything! The Diana Hunter books are a great mix of genres....
