Jump-start the baby s brainpower from the very beginning to make him or her astound the globe. Congratulations on becoming a parent! Welcome to this awesome, hilarious, challenging, easy-to-read, homey guide. What makes a child grow into a brilliant adult? Here s how to recognize the genius in your child. This easy-to-read, homey guide is packed with creative ideas that should have parents thumbing through its chapters on a regular basis. This is a book written for all parents. And while some tips are repetitive, many are clever. This is an AMAZING book for anyone who needs to know more about children, how they learn, think, and process the world around them. Every parent and teacher should read this book and use it as a reference. This book serves as a great one-stop shop for good parenting practices and, more importantly, explains why the practices are effective using real world examples and academic researches. This is a great little book and a quick read. It is written in a warm, engaging style that reads more like a conversation with the reader than a dry treatise on child genius. It provides the reader with multiple ways to help a child develop the essential life skills. The skills themselves provide an excellent framework to discuss current studies on child development, and it a fresh perspective from traditional approaches to parenting. You will be excited about the concept of the book. You will find the writing style to be too fluffy for...
