

Taking America by the Force: Star Wars - The Force Awakens in Us (Paperback)

Filesize: 4.04 MB

Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.

(Audrey Lowe I)

TAKING AMERICA BY THE FORCE: STAR WARS - THE FORCE AWAKENS IN US (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.America is dying while the planet is dying. - - In the next Presidential elections, we will have to suffer the choice between the lesser of two evils AGAIN. Both of them will make all the usual promises and the winner deliver all of the usual excuses - once elected - as to why they couldn't fulfill their promises. This little game of chicken has been going on for decades while the world goes to hell. They continue to pull off this little trick because they believe we are too weak, too indifferent, too apathetic, too busy to do anything about it. There is hope. The Force of Star Wars fame has been uncovered by Physicists using the Large Hadron Collider in Geneva Switzerland and was announced on July 4th 2012 to the world. The only problem is that they had no idea what they have uncovered and call it simply -- the Higgs boson field or the God Particle Field. In this amazing new book, we demonstrate with the simplest and most complete mathematical formulae, exactly how this new force, the greatest one ever discovered works exactly like the Force in the Star Wars movies and even more importantly how the reader can obtain the full power of the Force and use it for anything they want to achieve. Even more importantly, the book details how we can all band together in a real Rebel Alliance and get America back on the track of a real and total democracy using the Internet and the full power of The Force. Hang on to your hats, strap yourselves in, this will be a bumpy bumpy ride for anyone...
