Atlantic Publishing Co. Mixed media product. Book Condition: new. BRAND NEW, How to Open & Operate a Financially Successful Notary Business, Kristie Lorette, Book & CD-ROM. According to the National Notary Association, there are 4.8 million notaries working in the U.S. Depending upon state regulations, notaries can perform marriages, witness and authenticate the signing of real estate mortgage loan documents and other legal contracts, and take and certify depositions. Notaries can make an average of \$10 to \$200 per signing, depending on the document type. Each state has individual guidelines that one must follow when first applying to become a notary and specific restrictions that a practising notary must abide by, including the amount a notary can charge per signing. Whether you will be a mobile signing agent or you are looking to buy or rent office space, this book can help you with a wealth of start-up information, from how to form and name your business to deciding if this will be a joint venture or if you would rather work solo. Valuable information on forming a partnership, LLC, corporation, or becoming a sole proprietor, the four types of business formations, is included, and also the legal implications of each. You will learn the ins and outs of the application process state-by-state, including which states require training sessions and exams, and also information on the appointment process and individual state laws that govern the practice...
