Atlantic Books. Paperback. Book Condition: new. BRAND NEW, The Great Wall: China Against the World, 1000 BC-AD 2000 (New edition), Julia Lovell, Legendarily 2,200 years old and 4,300 miles long, China's Great Wall seems to be a confident physical statement made by an advanced civilization, anxious to draw a line between itself and the 'barbarians' at its borders. But behind the Wall's intimidating exterior, and the myths that have built up around it, lies a history far more fragmented and far less illustrious than its crowds of modern-day tourists might imagine. In this epic history exploring the conquests and cataclysms of the Chinese empire over the past 3,000 years, Julia Lovell restores a human dimension to this astonishing structure: examining the emperors who planned new phases of building; the people who constructed, lived and guarded the walls; and the millions who died - of overwork, starvation, cold and combat. "The Great Wall" is essential reading for anyone who wants to understand China's past, present and future.
