Oxford University Press Inc, United States, 2012. Hardback. Book Condition: New. 236 x 163 mm. Language: English . Brand New Book. Adult musicals disappeared almost entirely by the early 1980s, as the city's economy improved and the country grew more socio-politically conservative, and they have since been dismissed by writers and critics as a silly fad befitting a silly decade. Author Elizabeth Wollman finds a much richer story in adult musicals, illustrating how they both drew from and reflected aspects of American culture at a particularly...
