Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

(Mitchell Kuhn III)

GHOST OF THE GODS

Mazel and Sechel. Paperback. Book Condition: New. Paperback. 389 pages. Dimensions: 8.9in. x 6.0in. x 1.1in.1 hottest new bestselling techno-thriller on Amazon March 2014! Publishers Weekly STARRED review: In this sequel to Bohacz's Immortality, two years after the devastation of mass human extinctions in kill zones, mankind is still grasping for survival. An oppressive union of government and big business controls an exhausted America, which is divided between walled-in Protectorates and the unpoliced Outlands. Against this chaotic backdrop, paleobiologist and genetic researcher Mark Freedman and policewoman Sarah Mayfair continue their evolution into transhumance - nanotech hybrids with a connection to the god machine, the artificial intelligence that caused the recent massacres, in an effort to derail the destruction of the Earth's biosphere. Bohacz provides mind-bending portrayals of factions vying for power and reflections on the essence and fragility of humanity. But philosophical concerns never obtrude on the fast-paced plot, as authorities investigate communes of hybrids, and Freedman and Mayfair must choose between absorption into a collective mind or fidelity to their remaining humanity. The question of who can be trusted impels the reader to keep turning the pages of this highly satisfying and dynamic techno-thriller. Immortality has been a 1 best-selling techno-thriller on Amazon since January 2008! The epic story told in Immortality now reopens in Ghost of the Gods. Kirkus: If you thought Immortality was powerful, just wait until you read the sequel. Blending fierce action, twisted conspiracies and bold transhumanist visions, Bohacz once again drives readers through a whirlwind in which even the characters aren't sure if their thoughts are their own or if they were installed by the god-machine. . . Bohacz constantly raises the stakes, and the crisp dialogue and well-drawn characters keep the story barreling forward. S. J. Higbee: Bohacz manages to provide a gripping...
