Createspace, United States, 2011. Paperback. Book Condition: New. 224 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.There are plenty of books in this world which will tell you what is wrong with this world. There are fewer books which will tell you what needs to be done to save it and our civilisation from self-destruction. And there are few indeed which tell you exactly how to go about achieving a sweeping overhaul of an entire society. This little Manifesto is the result of four years of discussion by a group of students reading for their undergraduate degrees at the ancient and elite University of St. Andrews. It is the distillation of the main recommendations of a five hundred thousand word book manuscript called Freeing Growth: Volume 1 which assumes that if we are screwed as the evidence would suggest, then an authoritarian regime is highly likely to be enacted by a panicking population as billions starve, floods of refugees hit our shores, and the price of oil, fresh water and raw materials skyrocket. If an authoritarian regime is therefore likely inevitable, we asked what is the best form of authoritarianism? What measures would deliver...
