In his last diary, Hank went around all of Overworld and collected a ton of different monsters and other mobs. In his travels Hank has met and befriended spiders, skeletons, creepers, blazes, magma cubes, snow golems, iron golems, and even zombies of every type! While this may sound like an exciting note to end on for any other villager, Hank still wants more. What does Hank want exactly? Hank craves to have the ultimate monsters to himself: the Ender Dragon. Hank realizes that he won t be able to do something this crazy by himself, so he gets some of his monster friends, and his villager friend Sara, to help him along the way. In Hank s second diary he will seek help from a mysterious witch, an old written myth, and his friends. He will travel all over Overworld, into the Ender world, and even into The End. While this task might be impossible for anyone else, there s something special about Hank that helps him get through all of this.something he didn t even know about himself until now. Will Hank be able to travel through all three worlds unharmed? What kinds of creatures will he see in his travels? And will he even be able to capture the Ender Dragon and leave The End alive?
