Excerpt: .the right-angled triangular prism, Fig. 5, or the equi. tri. prism, Fig. 6. All of these will be valuable as reviews, and any or all of them might be given to great advantage for quick work on the blackboard, preceding the work Fig. 5. Fig. 6. in the Drawing-Book. It may be well to give the pupils an opportunity to do the work for this exercise by individual study of the models, without suggestions of any sort from the teacher. If pupils are very familiar with the models, these exercises may be given from memory. Drill.--As there are several circles to be drawn in the border, it may seem desirable to give a drill exercise that will call for circles. A border of circles is therefore suggested, that may be given as practice for this exercise; or it may be given as practice for Exercise...

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
