Convivium Press. Paperback. Book Condition: new. BRAND NEW, Transparencies of Eternity, Ruben Alves, As a master of the word, Rubem Alves relates events and experiences in life where God, religiosity, love, beauty and the meaning of life are always present. They are his "Transparencies of Eternity" a collection of poetic and spiritual chronicles in which the author draws transparent and multi-colour stained glass windows, using as raw material the existence and the multiple faces of God: sometimes God is an artist, who gathers the shards of my stained glass, smashed by random stoning, and places them again in the cathedral's window so that the sun's rays may shine through them again; sometimes God is a great, huge Emptiness that encompasses the whole beauty of the universe. Even more: God is a parent who does not know how to add. God is not in the business of accounting God does not add up either virtue or sins. This is how love is. It has no why's. It is reasonless. Love for love's sake. No accounting of good or of evil. With such a God the universe becomes more humble. And fears vanish. In this book are collected texts that masterfully comprise both a profound knowledge and the major existential questions of humankind. The texts flow with a simplicity of rare beauty, and the result could not be better: spirituality is presented through a new lens, attracting, instigating and enchanting readers who want to broaden their horizons.
