Reviews

This publication is definitely not simple to begin on studying but quite fun to see. It really is full of knowledge and wisdom I am just effortlessly can get a satisfaction of studying a created pdf.
(Alfreda Bradtke)

VICTORIAN CHILDHOOD

Shire Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Victorian Childhood, Janet Sacks, The lives of children during the Victorian era differed dramatically between the rich and the poor. The children of the wealthy lived in comfort with good education, while the poorest children grew up with little food or care, no education, and were often exploited for work. Janet Sacks explores the world of Victorian children, and how their experiences changed as laws were introduced to stop child employment, and education became compulsory, how holidays became possible by train, and the introduction of mass-produced toys. Using archive photographs and illustrations, she paints a picture of what it was like to grow up in Victorian Britain, and how changing attitudes towards children led to a very different upbringing by the end of the period.
