Excerpt: . consumer of meat products is at the mercy of these five because both producer and competitor are helpless to bring relief. Does the chamber of commerce deny that? Mr. WHEELER. Same answer. Senator N oRlus (reading): The stock car is a part of the equipment of the common carrier whose services are necessary to the producer of meat animals so that he may reach the market. The railroads furnish suitable cars for the transportation of other kinds of freight, and as to the use of such cars, the miner of coal or the manufacturer of furniture are on an equality, but in the matter of transportation of live stock, to a small degree there comes in a private ownership and a control and a manipulation of the meats of transportation--the stock car--so it is that we recom-mend--And then they follow with the recommendation. That...
