

The Many Roads to Japan (Paperback)

Filesize: 9.69 MB

Reviews

Extremely helpful for all type of folks. It generally is not going to expense a lot of. I found out this book from my dad and i advised this book to find out.

(Melany Goyette)

THE MANY ROADS TO JAPAN (PAPERBACK)

Lulu.com, United States, 2004. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.The Many Roads to Japan tells the story of the adventures of a conscientious objector who had to follow many twists and turns in his life journey before finding his niche in Japan. Suitable for low intermediate level and above ESL students. An excellent resource for peace education studies, too. The Many Roads to Japan influenced my students a lot, not only in studying English but also in searching for their own identities and thinking about how to live their lives. -- Kazuyo Yamane, Peace Studies lecturer at Kochi University Norris s story of a symbolic life is a gift from his own experience, and it gives us something good, meaningful, and inspiring.The comprehension questions, exercises, and discussion/essay questions are quite useful in helping Japanese students to think in English and in encouraging them to express themselves in English as well. This is the ideal textbook. -- Professor Kazushige Sagawa, Aoyama Gakuin University.
