

Why Anything Anyway: The Unified Theory of Conscious Enlightenment (Paperback)

By Elliot Laurence Ph D

Createspace, United States, 2010. Paperback. Book Condition: New. 214 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Why Anything Anyway is about The Unified Theory of Conscious Enlightenment the purpose of which is to reveal the secretes of most, if not all, spiritual practices and to illustrate common sense tools and how to apply them. These tools are immediately attainable and can establish a shared understanding amongst us so that we can truly advance both our individual and collective consciousness. This is not going to give all the answers, not even close; there are big questions out there that need to be answered and questions that we don t even know about yet. These tools can help get us past disagreeing about the small things and get to the larger questions. As long as we get stuck in semantics, dogmatic practices, neo-spiritual diversions, bible babble and rituals, there will be little progress if any. You could also say this book is about mind stretching and throughout the book you will receive more and more mind stretching ideas that you can use both by yourself and with others. There are approximately 150 subjects covered in this...
