Poisoned Pen Press, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.How can you make money from a painting that you don't own, can't steal, and couldn't fence even if you succeeded? What if you convince people you already had stolen it? An assortment of shady and brutal players in *Collar Robber* think that leaving a corpse or two along the way—they can use that bright idea to gouge fifty million dollars from Jay Davidovich's employer, Transoxana Insurance Company. Davidovich, first met in 2012's *Jail Coach*, is a Loss Prevention Specialist. Fifty million would be a good loss to prevent. Cynthia Jakubek from *But Remember Their Names* has jumped from the gilded drudgery of lawyering with a big Wall Street firm to the terrifying adventure of starting her own solo practice in Pittsburgh. One of her clients wants to help Davidovich—for a hefty price—and stay alive in the process. Another wants to get married in the Catholic Church to a fiancée who was briefly wed years before to someone who now has an interest in the painting. An annulment is needed. As Davidovich and Jakubek face brawls on street corners and in court rooms, confrontations in brothels, confessionals, and Yankee Stadium luxury suites, and Tasers, machine guns, and religious vestments used as weapons, they have to remember that take no prisoners isn't always a metaphor.
