That it s the one thing that can make or break one. That it s the glue. Blake Walker knows this better than anyone. He lives by it. Five years ago, the one person he thought he could rely on shattered his trust. After that he swore off relationships, turning into a womaniser. You know the wham-bam-thank-you-ma am kind. Until he meets Lottie Carter. She comes storming into his life with her sass, her wit, her Britishisms that he loves, and her beauty. But every time Lottie tries to get close, he pushes her away; scared that past events will repeat themselves. But when Lottie finally breaks through that wall that Blake has built up like a freaking fortress, their love story is immense. But when outside forces threaten to break them apart, can they withstand them? Do they trust each other enough to not let them? Or will Blake s trust issues be the one thing that will make him lose Lottie for the rest of his life? Read and find out.
