Reviews

Definitely one of the better publication I have got possibly read. It really is writter in basic phrases and not difficult to understand. You wont sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

Editorial Pax Mexico, United States, 2013. Paperback. Book Condition: New. 213 x 140 mm. Language: Spanish . Brand New Book. Asserting that humans are, above all else, eternal spiritual beings, this inspirational handbook argues that connecting with the inner spirit is an integral part of the soul's journey and that manifesting the spirit's qualities in the physical realm should be an individual's most important goal. When this essential connection is forged between body and spirit, the result is greater peace, love, and fulfillment. By identifying the most common obstacles to abundance, the book outlines the path to a greater plane of happiness for readers. Afirmando que los humanos son, antes que nada, seres espirituales eternos, esta guía inspirante arguye que el conectar con el espíritu interior es un paso integral en el viaje del alma y que manifestar las cualidades del espíritu en el mundo físico debería ser la meta más elevada de un individuo. Cuando esta conexión esencial se forja entre cuerpo y espíritu, el resultado es un mayor sentido de paz, amor y realización. A través de la identificación de los obstáculos más comunes hacia la abundancia, el libro traza para el lector el camino a un plano más enaltecido de alegría.
