Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

CHRONICLE BOOKS, United States, 2010. Other merchandise. Book Condition: New. 180 x 130 mm. Language: English . Brand New Book. Sales Handle: Silly, sexy games for couples sell! With more than 43,000 sold, Truth or Dare and its follow-up, Let's Play Doctor (F09; 1,600 sold, 3,500 on freeze) have shown a way to merge our game publishing with our succesful sex publishing. Kiss and Tell's gameplay is vastly different from its predecessors--It's more of a cheeky bachelorette party game--a PG-13/sexy mix of Apples to Apples and Balderdash. Lots of quick game-play, reversals of fortunes (opponents can play trump cards on others, stealing their points or cards or forcing them to change the contents of the story they're telling) and silly-back-and-forth. It's less about telling a sexy story as it making your opponents laugh. --Perfect Valentine's gift/perfect bachelorette party gift. --Chronicle's fun inventive sex publishing has achieved great success: IOU Sex (F05) and Sex Scratchers (F07) have sold over 155K and over 175K respectively; and Position of the Day titles--800K overall. --Utterly unique: Most of the sexy games on the market tend to be downmarket and little off-putting. Chronicle's publishing with Thrusti Kicki Grabbi brings a level of sophistication and cheeky approachability to the game shelves.
