Booksurge Publishing, United States, 2006. Paperback. Book Condition: New. 198 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.Idiots R Us has a wide array of annoying habits that every person has experienced at least once in their life either from someone else or maybe they will see that habit in their actions. Idiots R Us dishes out an compendium of the often inexplicable lunacy of human behavior. Everything that s ever irked us about other people seems to be included here: rude drivers, insensitive store clerks, uncaring spouses, even the lout who borrows your car for a quick errand and returns it with the once-full gas tank empty, singing along with the radio at the top of their lungs-even though they don t know the words, and being the victim of someone who vows I ll only be a minute! while running into the store for a gallon of milk, then makes us wait half an hour or more before returning to the car with countless bags of groceries! We all have those annoying people in our lives and at times they really drive us crazy with their habits, which they have no problem with annoying other people. This book was written for you to finally laugh at some of the annoying habit, instead of having your favorite person drive you crazy with their annoying habit!! If you need a good laugh, or feel one of your friends needs to read about their crazy habit, get your copy of Idiots R Us today!.
