SPOOKY CURSIVE HANDWRITING PRACTICE WORKBOOK (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. 274 x 214 mm. Language: English . Brand New Book ***** Print on Demand *****.This workbook, Spooky Cursive Handwriting Practice Workbook, is designed to inspire kids interest in learning and practicing cursive handwriting through the use of spooky phrases and sentences. Kids enjoy reading scary phrases like creepy spider webs or bone graveyard and spooky sentences like, My bedroom door opens by itself, or It s a zombie apocalypse. Exercises like these help to make learning fun, whether in the classroom or at home. This workbook is suitable for students who enjoy scary books and movies. This workbook focuses on writing spooky phrases and sentences in cursive in three parts: Students practice tracing and copying spooky phrases and sentences in Part 1. Part 2 just involves copying (with no tracing). A challenge is presented in Part 3: The spooky sentences are printed, and students must rewrite them in cursive. This requires students to remember what the cursive letters look like (though they can look at a chart on pages 5-6 if they need a reminder). May your students or children improve their handwriting skills and enjoy reading and writing these spooky phrases and sentences.
