Brand New Book ***** Print on Demand *****.Self-publishing has become a financial phenomenon that is taking on traditional publishers by storm. This is allowing anyone who wants to write a book to literally become an instant author overnight. Several success stories will inspire you to start crafting your own novel or nonfiction book and get in on the ever expanding market of eBook publishing. It is possible to achieve a six figure royalty based on a few simple strategies found in this book. Today brings a new opportunity for people to share their ideas, knowledge, and imagination. Additionally, it s possible to turn these ideas into a steady stream of income using the latest technological as well as a wide market audience. The Amazon Kindle makes information marketing possible for anyone to make money, and their program is also flexible enough to allow marketers to set their own prices and even market our books for us without complicated classified ads. This book will provide you with a path to get started on your road to information marketing using an eBook reader. I m going to essentially lay out a road map that if followed, can put you on a profitable approach for your new information marketing calling and hopefully turn you into one of the many success stories. They say new Kindle millionaires are being made every day. Imagine writing a book that rakes in six figures in the course of only a few months. Years ago it took finding a publisher and sifting through dozens of rejection notices just to get your words in print. Now, you can skip ALL of the middle-men and become your own publisher, your own editor,...
