Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I may as well level with you and let you know that I have no idea what to put here other than the title of the book sums up the content? Otherwise I would have called the book something surreal which leaves the cool reader like you guessing, such as Bananas on the Pink Cruise Ship to the Moon. But instead I thought I would make it easy and self descriptive. Also, I know you are not supposed to really start sentences with but but what s done is done. Call the Writing Police. The book is about things a little bit different to the standard guidebook, but still tons of fun in and around the Chicago area. When you think you have done everything Chicago and its environs has to offer, have a look at this book and maybe you will find something new and fun to do. Plenty of adrenaline pumping activities as well as activities that involve little more than sitting down. Whether you are in town for a day or a year, in summer or the freezing depths of winter (and sometimes the other 3 seasons!) there are plenty of things for you to do. From jet-skiing to lounging on a beach, from go karting to firework displays. Hopefully something for everyone and especially for you. Stay classy!.
