Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Passing of the New Freedom I need offer no apology for this frank discussion of the essential nature of President Wilson s policies. They are now on trial before the great quadrennial assize of the American people. No public official is above honest criticism, and, without such criticism, democracy would cease to be. Moreover, Woodrow Wilson now belongs to history. His complex personality and his world-wide policies will be the subject of acute discussion for generations to come. To tell the truth about them, as one sees the truth - and who now sees it, except as through a glass darkly? - is the highest duty of citizenship. In this spirit, this book has been written. If I am criticized for discussing grave political questions in dialogue form, let me reply that while these imaginary conversations are, in part, satirical in spirit, nothing was further from my intention than to set on some quantity of barren spectators to laugh. Shaw, Landor, Gobineaux and Erasmus did not disdain to employ the dramatic dialogue as a literary medium, and indeed the greatest single product of the human mind in all the ages seems to me to be the Book of Job, where the great riddle of existence is discussed with unequalled power and sublimity in the imaginary conversation of the man of Ur and his three would-be comforters, who proved to be somewhat irritating disputants. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
